

We are pleased to announce that Toby's Foundation will give \$25,000 for Dr. Ned Patterson's new grant...

Thanks to Your Generosity and Support!

This new CHF grant "Identification of Idiopathic Epilepsy Genes in Australian Shepherds" will allow Dr. Ned E. Patterson, DVM, PhD, University of Minnesota, to continue his Aussie epilepsy research.

"Your help is still needed. Please continue to support the research by donating a blood sample from dogs affected with this disease and dogs that are 10+ years old that have never had a seizure and by making a donation for the research. Please see the information below.

On March 26, 2012 please wear purple to join with others from around the Globe to raise epilepsy awareness. Visit www.purpleday.org for more information. Epilepsy affects both canines and humans... "Same Disease Different Species!"
