Toby's Foundation

Making Tracks to Defeat Canine Epilepsy

ASCA #N12893

AKC #DL90828201

Toby's Foundation is a non-profit organization dedicated to providing resources and support to aid in the fight against canine epilepsy. Established in 2004, Toby's Foundation seeks to increase awareness of canine epilepsy in the Australian Shepherd breed and to help eliminate it by supporting research to find a gene marker for this disease.

Epilepsy threatens the future of our breed. Please give blood.

Toby has been diagnosed with Idiopathic (Primary) Epilepsy. If you are related to Toby or any other affected dog, please help by donating a DNA sample to the University of Missouri for research that can lead to a screening test to help put an end to this killer disease.

For more information contact Liz Hansen, Research Coordinator, by email at HansonL@missouri.edu or by phone at 573-884-3712 or visit www.canine-epilepsy.net.
