Don't be a Grinch! Support epilepsy research this holiday!

Dr. Ned Patterson's grant "Identification of Idiopathic Epilepsy Genes in Australian Shepherds" has been extended one year.

Too many dogs are still getting epilepsy and seizing and dying because of this terrible disease. Please make a tax deductible donation to support the research. Blood samples are needed from affected dogs and dogs 10+ years old that have never had a seizure. Please see the information below to send in a blood sample from your dog and to make a donation. Please check with your employer about a matching gift. Thank you for your support. We wish you and all our beloved Aussies joy and peace this holiday season and a healthy and happy new year!

Toby's Foundation

Submit blood samples: www.tobysfoundation.org/samples.htm

Online donations: www.tobysfoundation.org/Donors.htm

Mail donations to: Toby's Foundation, Inc., PO Box 7321, Laguna Niguel, CA 92607

Your gift is tax deductible to the extent allowed by law.

Please check with your employer about a matching gifts program.
