

Create a Safe Haven for you and your pets

with **Norwex**[®]

Toby's Foundation Fundraiser

Clean with *just water* and a Norwex Cloth! Make yours a Safe Haven home by reducing your use of chemicals that you and your family (pets too!) are exposed to when you clean your home and care for your dogs.

We all have to clean, it only makes sense to do it in a way that is quicker & easier, better for your health, your budget and the environment.... AND it even raises money for Toby's Foundation!

Basic Package

The Envirocloth and window cloth are the perfect replacement to chemical-laden, all-purpose cleaners-so it's great for the environment!

Use the Envirocloth (damp with just water) followed by the Window Cloth (dry) to get your windows, mirrors, stainless steel, jewelry and other shiny surfaces sparkling clean without leaving unsightly streaks or residue! The Envirocloth can also be used to clean ANY surface in your home.

\$32.99

Pet Mitt and Pet Towel

The pet mitt can be used dry to remove loose hairs and wet to clean your pet during bath time. After a bath, use the ultra-absorbent pet towel with built-in hand pockets to securely hold and dry your pet. Microfiber absorbs water and dries fast!

\$34.99

\$19.99

Ultra Power Plus Laundry Detergent

This highly concentrated powder is 100% biodegradable and free from phosphates and fillers. Designed for high efficiency (100 loads) and standard (66 loads), it whitens whites, brightens brights and dissolves grease & grime. Safe on all fabrics including Norwex microfiber.

\$24.99

Norwex Microfiber Care

Use Norwex Laundry Detergent or any detergent that is 100% biodegradable and toss in the dryer to reuse for years! All cloths come with a 2 year warranty. With proper care, Norwex cloths can last 7-9 years.

Toby's Foundation Fundraiser

Norwex Microfiber has the ability to remove up to 99% of bacteria from a surface with only water. *

Many of the Norwex Microfiber products contain BacLock,® an antibacterial agent for self-cleansing purposes only. Micro silver in the wet cloth goes to work using its self-purification properties to inhibit mold, mildew and bacterial odor within the product in 24 hours!

At 1/200th the size of a human hair, Norwex microfiber is super-absorbent, leaving surfaces clean, polished and streak-free using just water!

Significantly reduces the use of costly cleaning product and supplies – Saving you almost \$600 per year!

With Norwex products, you don't breathe, absorb through touch or ingest harmful chemicals. Simply use water and create a cleaner, healthier home for you and your loved ones.

* When following the proper care and use instructions
