

TOBY says thank you for helping us reach our pledge!

TOBY'S FOUNDATION is pleased to announce that we have met our initial pledge of \$5,000.00 for Aussie epilepsy research. We will of course not stop here. We will continue to raise funds for this necessary and vital research. Toby's Foundation is proud to support USASF and ASHGI in their fundraising efforts for epilepsy research.

Toby's Foundation would like to highlight donations given "In Memory of" and "In Honor of" that special dog. This recognition is put up on our website under donors at www.tobysfoundation.org (click on How Can I Help, then the Donation link for a list of Donors).

Do you have a special dog or family you wish to Remember or Honor in a special way and at the same time know that you are helping to support epi research for our Aussies? Then please make a donation to Toby's Foundation "In Honor of" or "In Memory of" that special dog or family member. All such gifts will go to Aussie epi research and be matched by the Canine Health Foundation. Toby's Foundation will send out a lovely card announcing your gift to the person you specify.
